

Want to Dig Dinosaurs?

Volunteer with Museum of the Rockies for the unforgettable experience of excavating dinosaur fossils in the wild and rugged badlands of Montana!

We are looking for MSU's hard-working, adventure-craving, fossil-loving students to join our crews for the 2025 fieldwork season!

- Discover and collect fossils!
- Tools and training *provided!*
- Meals and lodging *provided!*
- Transportation *provided!*
- Two Medicine, Judith River, Hell Creek!
- Hiking, outdoor living, starry skies!
- Season begins May 27th!
