

Montana 4-H

Certificate of Veterinary Inspection

All horses must have a satisfactory Certificate of Veterinary Inspection (CVI) **completed within 72 hours of the event AND proof of a current (within 6 months) rhinopneumonitis vaccination** to compete at the Montana 4-H Working Ranch Horse Finals or State Horse Show. Other vaccinations recommended are Eastern/ Western Equine Encephalomyelitis, tetanus, influenza, rabies, and West Nile. **ONE CVI PER HORSE.**

Each horse must be inspected at home/locally. There will NOT be a veterinarian on the grounds to perform on-site inspections. Please present this Certificate of Veterinary Inspection at event check-in **before unloading**. **Show committee reserves the right to refuse entry to suspect animals at check-in or require removal of suspect animals during the event.**

Owner's Information

Address _____

City _____ State/Zip _____ Date _____
