Letter from the Coordinator

Greetings!

The 2024 Forest Stewardship workshop season came and went in what seems like a blink of an eye! This being my very first year in the position, I am happy to say that I have learned so much throughout this process and from those involved in making this program a success. I am very thankful to have shadowed the past Forest Stewardship Coordinator for 7 months before leading my first workshop.

I want to thank MSU Extension Forestry for giving me this opportunity; all of the advisors that helped with teaching, site visits, and monitoring; and the many landowners that attended a workshop this year! There is still so much more for me to learn, and I look forward to soaking up all the knowledge I can. Overall, the 2024 season was a great success in many ways and I am very eager to get the 2025 Workshops planned and implemented!

Happy Trails!

Lexi Brown
Forest Stewardship Coordinator
