

# MONTANA NATURAL RESOURCES YOUTH CAMP APPLICATION

July 13-18, 2025 (Sunday to Friday)

*Application Deadline: Extended to Sunday, July 6th*

The camp fee for the entire 6 days of camp is \$300  
*(many scholarships available, see page 2)*

The application packet needs to include the application, a deposit of \$150 or a full fee of \$300, and a letter of recommendation.

Montana Natural Resources Youth Camp  
MSU Extension Forestry  
W.A. Franke College of Forestry & Conservation  
32 Campus Drive, Missoula, MT 59812-0606

Please read the following information on pages 1-3 before completing the application. This application requires parent or guardian's signatures, insurance, health, and travel information, and a letter of recommendation (only required for first-year campers). Please complete this application accurately; any missing information or signatures will result in delays and will be considered incomplete.

The camp is dedicated to keeping campers and adults safe while providing a fun and educational experience at camp. We will continue to comply with county, state, and federal health restrictions. For any reason, we cannot hold camp this year, we will send out notifications, and refunds will be issued. If you have any questions about the camp, feel free to contact (406) 243-2773.

**Letter of Recommendation.** First-year campers must obtain a letter from a 4-H leader, teacher, school counselor, county extension agent, or natural resources professional. The letter must include the applicant's emotional maturity, why this camp would benefit the applicant, the clubs, or organizations they participate in, and the ability to interact positively in an unfamiliar setting for a week with peers and instructors. No letters from family members will be accepted, regardless of background or employment! Letters must be typed with the contact information of the person who is recommending the potential camper.

**Applicants will not be considered for admittance without a letter of recommendation.**

**Camp Sponsorships.** The camp offers many sponsorships through various organizations based on need, as we do not want the cost of the camp to limit a child from participating. If you would like to take advantage of a sponsorship offered through the camp (see page 4). The camp director will match the opportunity to the camper and a notification will be sent as we highly recommend a thank you card be sent to the sponsor. However, we recommend that those who need help paying for camp try to secure sponsorship on their own. A full list of agencies and organizations that have supported campers in the past and current opportunities is available on the camp website at [https://www.montana.edu/extension/forestry/mnryc/stipends\\_sponsorship.html](https://www.montana.edu/extension/forestry/mnryc/stipends_sponsorship.html).

**Travel Assistance Grants.** The grant pays up to \$200 and is available upon request. If travel is a minimum of 100 miles one-way, \$1 per 10 miles traveled can be requested, up to a maximum of \$200. Grant can be combined with camp fee sponsorship depending on availability and circumstance. To request the travel assistance grant, see the bottom of page 5 of the application.

**For Return Campers.** An overnight backpacking trip around Clearwater Lake is available for return campers. Annual overnight backpacking trip is schedule for Saturday the 12th and Sunday the 13th.

This opportunity starts the day before camp. Participants will arrive on Saturday by 1:00 pm. Head to Clearwater Lake (15 miles north of Seeley Lake) by 5 pm after going over gear such as assigning sleeping bags, food, and tents. The trip is a 2 ½ mile hike around Clearwater Lake along a fairly level trail. We will hike in about 1 to 1 ½ miles to the backside of the lake where we will set up a campsite. Participants can leave additional camp luggage needed for camp in a locked cabin on Firday and Saturday. Backpackers will return the next day, Sunday, July 13th at around 1:00 pm.

**10 spaces are available.** To be considered, please write a double-spaced statement (about 500 words) explaining the following. Why do you want to participate in the backpacking trip? What will you gain from the experience? What do you hope to learn? What challenges do you think you will encounter? The statement will need to accompany the application, and no letters after the **June 30<sup>th</sup>** deadline will be accepted.

Backpacks and sleeping bags can be provided, though if campers possess their own, they are encouraged to bring them. Sturdy hiking shoes are required (running shoes do not qualify) that offer good, stable foot protection and traction. If new shoes are used, campers are highly recommended to wear them for at least 5 miles before backpacking (putting them on wet and walking them dry is a good way to break them in). This will prevent blisters or foot abrasions, as hiking up and down trails with weight differs from just walking. Objectives for this trip are to have fun, experience an out-of-the-way place, learn the basics about packing for a trip (meals, drinking water, clothing, safety), and set up a comfortable and functional camp with minimum impact on nature. We will also have some basic leadership discussions that will be important for the rest of the week as return campers may have a few additional responsibilities towards new campers. There are trout in the lake so campers may want to bring their fishing rods (only rods that can be taken apart to 4 feet or smaller - fly or spin cast). You will need a fishing license to fish. Swimming is also possible, and the water is crystal clear. There are leeches in the lake, but they generally leave you alone if you stay out of the mud (the adult backpack leader swims in the lake all the time). A minimum of 2 adults (though typically 4) will accompany campers. Food is supplied. Please indicate special diet restrictions to us before going on this trip as we will purchase frozen dried meals beforehand. An additional fee of \$50 applies to help cover travel, permits, equipment sanitation, and food.

### Camp Registration Fee

The camp fee covers the cost of lodging, meals, camp activities, and educational materials. **The full fee for the Core Program is \$300.00.** If you are a returning camper and would like to participate in the **Overnight Backpacking Trip**, add an additional **\$50.00** to the core fee. If you wish to split the fee into two payments, \$150 is due with the application, and the second half of \$150 is due at check-in to camp or before.

Payment can only be made by check and mailed with the application (address on page 1). Make check payable to "MNRYC" and write the **name of the camper** on the memo line of your check.

## Camp Sponsorships

If you would like to take advantage of sponsorship or have your own, please indicate the name of the organization and the amount of sponsorship

Note: It is highly recommended that campers give a formal report to their sponsor after returning from camp.) *The \$300 fee covers approximately 25% of the cost per student. The balance is covered by larger grants from various agencies and non-government organizations and industries that are obtained by the MNRYC board of directors on an annual basis.*

*Cancellations made before July 13<sup>th</sup> (first day of camp) will receive a full refund, upon an emailed notification to the director stating the reason for cancellation and needs to be approved. No-shows will forfeit their camp fees already paid. If camp is canceled due to unforeseen circumstances, written notice and full refunds will be issued.*

## CAMP RULES AND CAMPER RESPONSIBILITIES

### CODE OF CONDUCT AGREEMENT

The organizers of the Montana Natural Resources Youth Camp and the staff of Lubrecht Experimental Forest want your week to be filled with exciting experiences, new friendships, and fun. To help make this happen, each camper is expected to be considerate of others, participate fully in the camp program, and observe the following rules.

The camp rules are intended to assist in providing for the health, safety, and social well-being of everyone attending camp. If a situation or question arises which is not covered by this list, ask the Camp Director **before acting**.

- *The camp has a zero-tolerance policy. We expect all campers to be curious to everyone, this means any profanity, foul language, or bullying will not be tolerated at any time. This policy also applies to bullying through social media and messaging platforms, such as group chats.*
- *Cell phones or similar electronic devices are not to be used during scheduled activities so that other aspects of living in a camp setting can be enjoyed. If you wish to use your phone to take pictures during scheduled activities, you may do so. If cell phones become disruptive, and cause or influence inappropriate behavior, action will be taken by the camp director. For the first offense, the phone will be taken away and returned that evening. For the second offense, the phone will be taken away for the duration of camp, however, limited usage will be granted during the day or evening. Depending on the severity of the offense and if other rules have been broken, the camp director has the discretion to send the camper home.*
- *Any personal conflicts within cabins or color groups should be brought to the attention of the Camp Director at any time. This can include personal hygiene, behavior, use of bad language, or anything that makes you uncomfortable. We will keep your concerns confidential and will evaluate and address the issue(s) immediately. Do not be afraid to talk to us about anything.*
- *Respect the camp facilities and natural surroundings and deposit litter in the containers provided. Any defacing or destruction of Lubrecht or MNRYC camp property will result in being sent home and cover the cost of damages.*
- *Attendance of all classes and scheduled activities is required, so be prompt.*
- *Physical contact, such as shoving, hitting, or tackling is prohibited.*
- *Respect other's privacy. Boys are not permitted in or near girl's cabins, nor are girls permitted in boy's cabins.*
- *Cabin curfews are mandatory for your safety. You may leave your cabin at night to use restrooms, but make sure to summon a cabin mate; do not go outside by yourself. You may not leave your cabin at night to explore or visit other cabins. If you are feeling ill, alert a cabin mate to summon a camp counselor, the camp director, or first aid staff.*
- *You are required to stay within the camp premises during free time for the duration of camp. Obtain the camp director's permission before leaving camp for any purpose.*
- *Any non-camp visitors must see the camp director **before** interacting with students. If you see any suspicious strangers or activity in the camp or classroom areas, immediately report it to instructors/camp counselors or camp director.*
- *You may not start fires in woodstoves or the camp area without the explicit permission of the camp director.*

- *If driving your personal car to camp, you will be required to give the ignition keys to the camp director and will not be able to use the vehicle for the duration of the camp unless there is a personal emergency that is cleared with the camp director.*
- *All prescription medication information must be written down on the camp application for the First Aid staff. This ensures that if anything happens, our first aid staff can relay pertinent information to healthcare providers.*
- *Unless indicated on the first aid form, please hold on to all prescription and/or over the counter medication.*
- *No PDA! Please keep it discreet, we do not want to see anything beyond holding hands.*
- *ALCOHOL, DRUGS, FIREARMS, TOBACCO, VAPES, MATCHES, AND FIREWORKS ARE PROHIBITED. We reserve the right to search personal belongings for prohibited items. Any searches will be conducted only by sanction of the camp director and by counselor teams. The camper will be present during such searches to ensure privacy and respect are maintained during such circumstances.*

It is not possible to anticipate every possible situation that might come up. Without a rule regarding a specific activity or situation, **PLEASE CONSULT A CAMP COUNSELOR OR DIRECTOR.**

**Violating any of these rules is grounds for dismissal of the participant, forfeiting camp fees, and non-acceptance to future camps. The camp director will promptly notify the parent/guardian, and transportation home will be at their own cost.**

---

I agree to cooperate fully with the camp director, instructors, and camp staff if I can attend the Montana Natural Resources Youth Camp. I will take advantage of all reasonable opportunities to promote the conservation of natural resources in my community after I return home. I have read, understand, and accept the camp rules and consequences if they are broken. I also understand that violating these rules is grounds for dismissal and forfeiting my camp fee.

## CAMPER'S MEDICAL FORM

**Each camper is required to provide proof of their own health insurance.** If they do not have insurance, then a 30 policy (July 1 – July 31, 2024) must be obtained before applying. A brief medical history is required to identify details such as medications, allergies, injuries, limitations, etc., that the first aid staff needs to be aware of. **It is very important to include all pertinent information accurately.**

The MNRYC will have an **on-site First Aid station** for this year's Montana Natural Resources Youth Camp and will have arranged to have basic supplies available in case of an accident or illness. We assure you that your child's safety will be of the utmost importance throughout the camp and that we anticipate a safe and fun experience for everyone involved. **Each child must have health insurance coverage during camp.**

We require basic medical information for each camper. Please ensure your child has enough medications to last the whole camp. Failure to disclose pertinent medical information may result in denial of the application or the child being sent home. Please complete the forms below.

## Parent/Guardian Acknowledgement, Release, and Power to Authorize Medical Treatment

I hereby grant \_\_\_\_\_ permission to attend the Montana Natural Resources Youth Camp. I understand that each camper is required to be covered by health or accident insurance that their family or guardians provide. The Montana Natural Resources Youth Camp does not cover health or accident insurance. I have read the Camp Rules and understand that violating them is grounds for dismissal of my son or daughter and forfeiture of fees and that the return home in the case of dismissal will be at my expense. WHEREFORE, pursuant to the consent that I have granted above for the minor child's participation in the Montana Natural Resources Youth Camp, my agreement to provide health or accident insurance for the minor child, and my understanding of the Camp Rules, I hereby make the following acknowledgments or releases:

1. I acknowledge that there is an inherent risk in the activities in which my child will engage during Montana Natural Resources Youth Camp. Those risks include, but are not limited to: dangerous natural conditions such as dangerous plants or insects; weather which could lead to dehydration, heat stroke, hypothermia or death; expected or unexpected encounters with wildlife which could lead to injury or death; dangerous natural conditions of rivers or streams which could cause injury or death or water temperatures which could lead to hypothermia and drowning; campfires; indoor and outdoor camp settings which may not have adequate lighting at night; hiking trails which may contain obstacles or uneven terrain; whitewater rafting on rapids which could cause occupants to suffer injury or death; ropes course and climbing wall the use of which could lead to participant suffering injury or death; exposure to water that could lead to accidental drowning; and damage to my child's person or property. I agree to assume all risk associated with my minor child's participation in the Camp.
2. I hereby waive any right to any claim against the Montana Natural Resources Youth Camp or any of its employees or agents for any injury, loss, damage, accident, delay or expense result from any act or omission of any carrier, government, private legal entity, or third person. I also assume sole responsibility for and agree to indemnify the Montana Natural Resources Youth Camp against any loss due to any financial obligation or liabilities that I may personally incur, or any damages or injury to persons or property that I or my minor child may cause during his or her participation in the course.
3. I further release the Montana Natural Resources Youth Camp from any claims arising from the aggravation of any physical disability or illness not disclosed to Montana Natural Resources Youth Camp and grant the employees and agents of the Montana Natural Resources Youth Camp full authority to take whatever actions they may consider to be warranted under the circumstances regarding my minor child's health and safety, and, at their discretion, to place him or her in any hospital or in the hands of any local doctor for medical treatment at my own expense, or to transport my minor child by any means of conveyance required at my own expense for medical treatment or in the event of my demise.
4. I certify that my minor child is in good health and to my knowledge does not have any physical problems which would hamper his or her participation in said activities.
5. I certify that I have explained to my minor child that there are inherent risks involved in his or her participating in Montana Natural Resources Youth Camp which could lead to injury or death.
6. I certify that the information that I and my minor child have provided on the Camp application and all related forms and releases is accurate.

**Photo Release***Parental Permission for Minors (under 18 years old)*

Every year, the Montana Natural Resources Youth Camp (MNRYC) develops a camp video. The video is posted to the MNRYC website and MNRYC YouTube account. During educational activities associated with the camp, campers and other participants may be photographed or filmed. This form grants permission to use images of campers for the camp video, promotional materials, or social media posts on grantor sites (such as Montana Society of American Foresters (MSAF), Montana Department of Natural Resources and Conservation (DNRC), Dennis and Phyllis Washington Foundation), in addition to other educational and promotional purposes that support the mission of the MNRYC.

I, (please print) \_\_\_\_\_, give the MNRYC permission to record still and motion images of the minor named below. I understand that these images will be in the public domain, i.e., the rights belong to the community at large, are unprotected by copyright or patent, and are subject to appropriation by anyone worldwide. I understand that the MNRYC may store these images for use in any medium in perpetuity.

Signing this form is neither mandatory nor necessary for camp participation. Without this permission, images of campers will not be featured in the camp video, promotional materials, or social media posts on grantor sites (such as Montana Society of American Foresters (MSAF), Montana Department of Natural Resources and Conservation (DNRC), Dennis and Phyllis Washington Foundation). In addition to other educational and promotional purposes that support the mission of the MNRYC.

## PARTICIPANT AGREEMENT, RELEASE, AND ASSUMPTION OF RISK

In consideration of Montana River Guides, their agents, owners, officers, volunteers, participants, employees, and all other persons or entities acting in any capacity on their behalf (hereinafter collectively referred to as "MRG"), I hereby agree to release, indemnify and discharge MRG, on behalf of myself, my spouse, my children, my parents, my heirs, assigns, personal representative and estate as follows:

1. I acknowledge that **whitewater river rafting, canoeing, river boarding, kayaking, and/or river rescue classes** entail known and unanticipated risks that could result in serious physical or emotional injury, paralysis, death, or damage to myself, to property or to third parties. I understand that such risks simply cannot be eliminated without jeopardizing the essential qualities of the activity.

**These risks include, among other things:** whitewater rapids will be encountered; your boat could turn over and/or you could have to swim rapids risking collision with rocks and entanglement in trees; head injuries can occur; you can slip or fall during a hike, resulting in damage to equipment or personal injury; exposure to the natural elements can be uncomfortable and/or harmful; you should be aware that this exposure could cause sunburn, dehydration, heat exhaustion, heat stroke and heat cramps; also prolonged exposure to cold water can result in hypothermia; exposure to potentially dangerous wildlife, insects, plants; and accidental drowning is also a possibility.

Furthermore, MRG employees have difficult jobs to perform. They seek safety, but they are not infallible. They might be unaware of a participant's fitness or abilities. They might misjudge the weather or other environmental conditions. They may give incomplete warnings or instructions, and the equipment being used might malfunction.

2. I expressly agree and promise to accept and assume all of the risks existing in this activity. My participation in this activity is purely voluntary and I elect to participate in spite of all the risks.
3. I hereby voluntarily release, forever discharge and agree to indemnify and hold harmless MRG from any and all claims, demands, or causes of action, which are in any way connected with my participation in this activity or use of MRG's equipment or facilities, including any such claims which allege negligent acts or omissions of MRG.
4. Should MRG or anyone acting on their behalf be required to incur attorney's fees and costs to enforce this agreement, I agree to indemnify and hold them harmless for all such fees and costs.
5. I certify that I have adequate insurance to cover any injury or damage I may cause or suffer while participating, or else I agree to bear the costs of such injury or damage to myself. I further certify that I am willing to assume the risk of any medical or physical condition I may have.
6. I agree that if any portion of this agreement is found to be void or unenforceable, the remaining document shall remain in full force and effect.

**By signing this document, I acknowledge that if anyone is hurt or property is damaged during my participation in this activity, I may be found by a court of law to have waived my right to maintain a lawsuit against MRG on the basis of any claim from which I have released them herein.**

**I have had sufficient opportunity to read this entire document. I have read and understood it, and agree to be bound by its terms.**
