Independent Study Projects

The Indoor Projects listed above are those that Gallatin County 4-H currently has a volunteer leader for. Projects typically meet at least once a month and activities are led/guided by that leader.

However, there are over 200 projects offered in Montana 4-H - see complete Project Selection Guide here: <https://www.montana.edu/extension/4h/projects/index.html>. If a member chooses to participate in an Indoor Project that Gallatin County 4-H does not currently have an official leader for, members would participate in that project as "Independent Study" at home, with their parent/guardian as a "helper."
