# 2026-2027 GALLATIN COUNTY 4-H CLUBS

## OTHER OPTIONS

### Members at Large

If you opt out of joining a Club, please enroll your Projects under ***"Member at Large"*** when completing your 4-H Enrollment Clubs page on ZSuite.

Please note that choosing to participate as a Member at Large does not exempt you from the rules, requirements, expectations, or responsibilities of the 4-H program. Members at Large are still expected to complete all applicable project requirements, record books, forms, deadlines, trainings, demonstrations, and other expectations associated with their enrolled projects and 4-H membership.

4-H is built on more than completing projects - it is an organization grounded in community service, leadership, fundraising, giving back, teamwork, and being actively involved in your community. These values are an important part of the 4-H experience and its mission.

Choosing not to participate in a Club does not remove the expectation that you engage in and contribute to the 4-H program. While Members at Large may have a different club structure or meeting experience, they are still 4-H members and are expected to uphold the same values, responsibilities, and commitment to the program.

**Interested in co-leading or starting a 4-H Club? Please contact the Gallatin 4-H Office for Club requirements.**
