

## FACULTY-LED STUDY ABROAD IN

# Guatemala

**Nursing 469: Culturally Responsive Care in Nursing**  
**Spring Break 2027: 3/13/27 - 3/20/27**

Experience nursing in a global context while making a meaningful impact in Guatemala. Work alongside healthcare professionals in a hands-on mobile clinic, assisting with checkups, medication distribution, and health education in underserved communities. Strengthen your clinical and professional skills while gaining a deeper understanding of healthcare, culture, and community in an international setting.

**HIGHLIGHTS:** • Hands-on mobile clinic experience • Community health education • Guatemalan cooking class • Iximche Archaeological Ruins • Salsa lessons • Volcano tour • Local culture and community connections • Free time to explore

**Info session: October 14<sup>th</sup> at 4:30pm**
